

Delock Travel Kit I Sound Edition - audio splitter / headphones / holder

Description

This handy protective case by Delock contains everything you need for a long car or train journey or even a plane trip, to use the audio playback of your phone or tablet.

In-ear headphones with microphone and volume control in stereo sound quality, a matching **audio splitter** that allows two people to listen to music at the same time, and a **holder** for the smartphone so that it can be comfortably placed on the table on the train, for example.

Water-repellent and shock-proof

The material of the bag is water-repellent and protects the contents from light impacts thanks to the hard shell.

Small helpers

For the drink, the set includes a bottle opener and two silicone corkis.
