With Height Adjustable Arms

Details

The Regent is ergonomically designed and has a luxurious cold cure foam seat that provides a pleasant seating experience for the most demanding environments. The chair has many adjustment options thanks to its quality multi functional mechanism and soft adjustable armrests. The stylish high backrest which is upholstered in a breathable mesh is easily height adjustable and equipped with a height adjustable lumbar support. Finished elegantly with a brushed aluminium base, this chair is the all round solution.

Product Features:

• High density cold cure foam seat • Full Mesh backrest • Synchronised tilt mechanism with anti shock function • Seat angle adjustment • Seat slide • Height adjustable lumbar support • Weight tilt tension control • Height adjustable arms with soft PU multi functional sliding arm pads • Chrome 5 star base
