## 19" Rack cabinet 3U x D155 mm, weight capacity max 40 Kg

Wall-mounted slim design 760mm deep rack cabinet designed for the installation of both cabling and equipment. Suitable for multiple applications including local area networking (LAN) cabling and hardware, and the housing of surveillance and audio visual equipment. It's compact size and unique design gives you the possibility to have a functional rack in even small spaces that usually wouldn't fit a standard rack.

The product range is designed for small offices, homes offices, where a smaller network housing performed.

As well decoratively fit product would also be used in horizontal segments of applications, for hotels, hospitals, laboratories where a Slim wall application is needed.
