

# MULTI-MOUNT DOCKING STATION

## Free Your Workstation

The Universal USB-C/A Multi-Mount Dock offers the ultimate clutter-free work environment with its flexible mounting design, with the ability to be mounted to the back of a VESA mount display or desk.

Extend your productivity capabilities with dual displays in 1080p @ 60Hz and three USB-A 3.1 ports, one of which supports BC 1.2 and Apple Charging.

## Key Features

- **Clutter-Free Work Environment**
  - Mount your dock to the back of a VESA mount display or monitor arm, or even to your desk to provide the ultimate clutter free desk space.
- **Increased Productivity in High Definition**
  - The USB-C dock supports Quad HD @ 50Hz on a single screen or two displays in 1080p @ 60Hz via USB-C with HDMI technology.
- **Quick and Convenient**
  - Work smarter with a single USB-C cable connectivity for video, audio, data and power. This eliminates the need for an additional power adapter, keeping your workspace clean and clutter free.
