Part No.: **461870**

EAN-13: 0766623461870 | UPC: 766623461870

### **Universal VESA mount converter solution made for monitors without VESA mounting holes**

Add the ergonomic and space-saving benefits of a monitor mount to a non-VESA display with this universal VESA Mount Kit from Manhattan. Even if your flat screen is missing the pattern holes on the back, you can now install it on virtually any desk mount, wall mount or stand that offers VESA configurations of 75x75 and 100x100 mm.

### **Wide compatibility and easy installation**

The versatile, heavy-duty steel arms can be placed in many positions to securely accommodate varying sizes of displays, with weights up to 8 kg (17.6 lbs.) and thicknesses of 26.5 to 65 mm (1 to 2.6 in.). The adapter is universally compatible with any monitor brand like Asus<sup>®</sup>, Acer<sup>®</sup>, Samsung<sup>®</sup>, LG<sup>®</sup>, Viewsonic<sup>®</sup>, Dell<sup>®</sup>, AOC<sup>®</sup>, Sony<sup>®</sup>, BenQ<sup>®</sup> and more. It includes all required screws and other hardware for easy assembly. Improve your workspace and get back to work in no time.

**Features:**

- Adapter brackets to install your non-VESA display on a VESA-compatible stand, wall mount or desk mount
- Attaches to a monitor mount with VESA standards 75x75 or 100x100
- Four adjustable arms to hold one 13" to 27" flat-screen up to 8 kg (17.6 lbs.) with a thickness of 26.5 to 65 mm (1 to 2.6 in.)
- Ergonomic workspace optimizer that raises your monitor off the desk to eye level
- Universally compatible with Manhattan VESA Monitor Mounts and other brands, available separately
- Sturdy steel construction with antistatic powder coating
- Easy and quick installation, all hardware included
- Lifetime warranty
