

FCC Statement

Note: This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

FCC Statement - §15.105(b):

"This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution - §15.21:

"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

(US) 4-Port USB 3.1 Over Cat6a Extender

(FR) 4 ports USB 3.1 sur CAT6A Extender

(ES) 4 puertos USB 3.1 sobre CAT6A Extender

Model 29523

PACKAGE CONTENTS

- 1 x Local Extender
- 1 x Remote Extender
- 1 x USB 3.1 Gen 1 Cable
- 1 x 24V 1A AC Power Adapter
- 1 x 24V 2.71A AC Power Adapter
- Quick Start Guide

DEVICE INSTALLATION

Note:

- Before you get started, ensure that all the drivers required for your USB device(s) are installed.

Step 1: Connect the Cat6a cable to the Link ports on the Local and Remote Extenders.

Step 2: Connect the Local Extender to the computer's USB 3 port using the included USB cable.

Step 3: Power the Local Extender with the included 24V 1A AC adapter and tighten the locking ring.

Step 4: Power the Remote Extender with the included 24V 2.71A AC adapter and tighten the locking ring.

Step 5: Attach the USB device(s) to the Remote Extender.

Step 6: Optional: Connect Local and Remote Extender LAN ports to a network or device as necessary.

C2G WARRANTY

At C2G we want you to be totally confident in your purchase. That is why we offer a warranty on this device. If you experience problems due to workmanship or material defect for the duration of this warranty, we will repair or replace this device.

To request a Return Merchandise Authorization (RMA) number, contact customer service at 800-506-9607 or www.c2g.com.

CONTENU DE L'EMBALLAGE

- 1 x prolongateur local
- 1 x prolongateur à distance
- 1 x câble USB 3.1 Gen 1
- 1 x 24V 1A adaptateur secteur
- 1 x 24V 2.71A adaptateur secteur
- Guide de démarrage rapide

INSTALLATION DE L'APPAREIL

Remarque :

- Avant de commencer, assurez-vous que tous les pilotes requis pour votre (vos) périphérique (s) USB sont installés.

1re étape : Connectez le câble Cat6a aux ports Link des extendeurs locaux et distants.

2e étape : Connectez l'extension locale au port USB 3 de l'ordinateur à l'aide du câble USB fourni.

3e étape : Mettez l'extension locale sous tension avec l'adaptateur secteur 24 V 1A inclus et serrez la bague de verrouillage.

4e étape : Mettez l'extension distante sous tension à l'aide de l'adaptateur secteur 24 V de 2.71 A inclus et serrez la bague de verrouillage.

5e étape : Fixez le périphérique (s) USB à l'extenseur distant.

6e étape : Optionnel : Connectez les ports LAN d'extension locale et distante à un réseau ou à un périphérique si nécessaire.

GARANTIE C2G

Chez C2G, nous voulons que vous ayez une confiance totale dans votre achat. C'est ce qui explique que nous offrons une garantie pour cet appareil. En cas de défaut de matériel ou de fabrication pendant la durée de cette garantie, nous réparerons ou nous remplacerons cet appareil.

Pour demander un numéro de RMA (Return Merchandise Authorization, Autorisation de retour de marchandise), prière de contacter le service Clientèle au n° 800-506-9607 ou sur le site www.c2g.com.

CONTENIDO DEL PAQUETE

- 1 x Local extender
- 1 x Extensor remote
- 1 x USB 3.1 Gen 1 Cable
- 1 x adaptador de la corriente alterna de 24V 1A
- 1 x adaptador de la corriente alterna de 24V 2.71A
- Guía de instalación rápida

INSTALACIÓN DEL DISPOSITIVO

Nota:

- Prima dell'installazione, accertarsi che tutti i dispositivi siano spenti.

Paso 1: Conecte el cable Cat6a a los puertos de enlace en los extensores locales y remotos.

Paso 2: Conecte el extensor local al puerto USB 3 del ordenador utilizando el cable USB incluido.

Paso 3: Encienda el extensor local con el adaptador de CA de 24V 1A incluido y apriete el anillo de bloqueo.

Paso 4: Encienda el extensor remoto con el adaptador de CA de 24V 2.71 incluido y apriete el anillo de bloqueo.

Paso 5: Conecte el (los) dispositivo (s) USB al extensor remoto.

Paso 6: Opcional: Conecte los puertos LAN de extensión local y remota a una red o dispositivo según sea necesario.

Garantía C2G

Desde C2G queremos que tenga plena confianza en su compra. Por eso ofrecemos una garantía para este dispositivo. Si experimenta cualquier problema debido a un defecto en la fabricación o en los materiales durante el período de garantía, repararemos o reemplazaremos este dispositivo.

Para solicitar un número de autorización de devolución de mercancía (RMA), póngase en contacto con el servicio de atención al cliente en el 800-506-9607 o en www.c2g.com.
