

MPN: 60000098

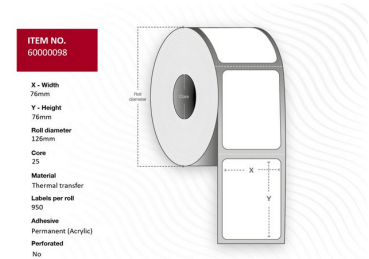

Capture Label 76 x 76 Core 25 Ø 122 mm. White. TT. Permanent. 950 labels per roll. 12 rolls per box.

60000098 has a corona-treated white polyethylene film with medium gloss appearance. The label has a permanent non-bleeding adhesive with improved water resistance, excellent clarity and UV resistance, featuring good tack to apolar surfaces. Used in combination with durable facestocks such as Fasson films.

Resin Ribbon recommended.

(Complies with FDA 175.105 and with BgVV XIV recommendations for direct contact with dry and moist, non-fatty foodstuff.)

Capture offers a full assortment of thermal labels in various sizes and paper types. For special requests please contact your local sales office.
