Keyboard wrist support for more comfort during work and play

Reduce tension on your fingers and hands with the ergonomic Manhattan Keyboard Wrist Rest Pad. Its soft yet resilient memory foam support keeps your hands in a relaxed position so you can type comfortably for hours. The non-slip rubber base keeps it firmly in place on nearly any surface. The durable construction and fray-resistant stitching let this palm rest hold up to rugged use for years. Its large 445 x 100 mm (17.5 x 4 in.) area is designed to seamlessly fit most full-size keyboards. A water-resistant coating protects against spills. Plus, it's stain-resistant and easy to clean.
