

LabelWorks LW-C610

A stylish portable label maker that prints with crystal-clear 360dpi resolution via a simple mobile app.

Compatible with 50 ribbons and tapes up to 24mm in width, the LW-C610 makes home crafting even more customisable. Print functions include QR code, barcode, imagery, and original label design - all manageable from a smart mobile application. This model can be used with batteries or an AC adaptor, so you can pick it up and print from anywhere.

Fully flexible

The LW-C610 has a stylish lightweight frame, full Bluetooth connectivity, and battery and AC adaptor compatibility, allowing you to set up your workspace anywhere and switch between tasks with ease.

Simple yet sophisticated mobile app

This Bluetooth label maker is manageable via a mobile app simple enough for a child to use, yet sophisticated enough to handle all home business and crafting requirements. Compatible with Android and IOS devices.

Impressively versatile

Working with 50 tapes and ribbons up to 24mm in width, the LW-C610 allows you to print across a wide range of colours and finishes, creating barcodes, borders, brand-designs and even hand drawn images. This versatility is supported by a 360dpi resolution to ensure a perfectly clear print every time.

Cost efficient

Epson's built-in auto-cutter technology significantly reduces margin waste compared to competitors. This means you get more prints for the same amount of ribbon and tape.
