

STORM CONTROLLER  
MOBILE PHONE CRADLE

With the mobile phone cradle attachment, gaming anywhere is even more convenient and accessible. The Cradle can be utilized in multiple angles and can act as a phone holder to use on a desk. The phone cradle attachment has an intuitive, easy-adjust system, allowing you to set-and-play the phone in any position you like with minimal hassle.

FEATURES

- EXPANDABLE CLIP

The Clip has an expandable range from 6.5 to 8.5cm, gripping and securing your phone to ensure stability.
- UP TO 220 DEGREES OF ADJUSTMENT

A range of 220 degrees allows for optimal weight and viewing range adjustments.
- DOUBLE HINGE ADJUSTMENT

Set your mobile screen to your preferred angle, thanks to the stepless two-hinge adjustment system.
