## Titan Shield Screen Protector for Lenovo M10 HD (2nd Gen) - Clear

A premium, case friendly, clear tempered glass which covers the flat part of the screen. It offers ultimate protection against scratches, chips and cracks. It is 9 times stronger than normal glass. An anti-shatter film ensures that small glass pieces are kept in place, should the Titan Shield® break. Thanks to the real glass properties there is no change in color or touch experience when the screen protector is applied. If your device is exposed to excessive force the Titan Shield® is designed to break. The screen protector will absorb most of the force and in most cases protect your display from harm.

- Easy to install and easy to remove – no tools, glue or fluids needed
- Full glue, i.e. the entire surface glues to the screen
- 150% more scratch resistant than steel
- 9H (9 times stronger than normal glass)
- Impact resistant to bumps and knocks
- Oleophobic coating making it easy to clean and minimizes finger prints
- 0.33 mm thin tempered Japanese Asahi Glass
- 100% touch preservation
- Cleaning kit included
