

MPN: PE1415R18

Red power cable C14 to C15, 1,8M

The PE1415R18 power cable provides a reliable and high-quality connection for your devices. This 1.8-meter red power cable features a C14 female connector on one end and a C15 male connector on the other, making it ideal for connecting devices like servers, power distribution units (PDUs), and other equipment requiring this specific connector type. MicroConnect's commitment to quality ensures this cable is built to last, providing a secure and stable power supply. Designed to meet European standards, the PE1415R18 power cable delivers both performance and peace of mind, backed by MicroConnect's 20+ years of expertise in connectivity solutions.
