

MPN: PE1413B3

Blue power cable C14 to C13, 3M

The PE1413B3 Blue Power Cable provides a reliable and robust connection for your devices. This 3-meter power cable features a C14 female connector on one end and a C13 male connector on the other, making it ideal for connecting devices like computers, monitors, and other equipment to a power distribution unit (PDU) or UPS. Built to European quality standards, this cable ensures a secure and stable power supply. With over 20 years of experience, MicroConnect delivers premium quality at a fair price, and this power cable is no exception, providing a dependable solution for your power connectivity needs. The blue color aids in easy identification within complex setups.
