NX Monitor Arm

- Neat workspace: Lifts a single monitor for more usable desk space
- Affordable: Includes essential monitor arm features without sacrificing quality
- Sleek design: Enhances any work area with clean lines and a slim profile
- Intuitive use: Easily makes comfortable ergonomic adjustments
- Built to last: Ensures reliability through industry-leading quality testing
- Easy installation: Monitor arm installs in minutes with just one tool

AFFORDABLE QUALITY YOU CAN TRUST

Whether at home or in the office, everyone deserves a workspace that looks great and makes them feel their best. Create a neat, productive workspace with this affordable monitor arm that's easy to set up and backed by Ergotron's trusted reputation for quality.

NX Monitor Arm

- Cable management system keeps cords concealed and close to the arm with neat routing through the base for a streamlined look
- Monitor arm easily moves out of the way when not in use to reveal more workspace
- Backed by Ergotron's customer-obsessed service and support teams to ensure the best user experience
- Clean Air GOLD certification supports sustainability goals
