# WAVE KEYS FOR BUSINESS

Wave Keys for Business is an easy-to-use ergonomic keyboard with a wave design for a familiar typing experience. Its cushioned palm rest, compact shape, and fluid typing improve wrist support and all-day comfort. It's easy to deploy and checks all the boxes for IT—security, global support, compatibility, and sustainability.

- **Support employee wellbeing:** An ergonomic keyboard that is approved by ergonomists to improve employee wellbeing.
- **Familiar feel, all-day comfort:** The wave design feels instantly familiar and comfortable, allowing employees to easily make the switch from straight keyboards.
- **More wrist support, less pressure:** Cushioned palm rest with memory foam is designed to reduce pressure and offer better wrist support.<sup>1</sup>
- **More comfort. More space:** The compact layout is ideal for small workspaces and allows a more natural shoulder position when using a mouse.<sup>2</sup>
- **Support a more sustainable world:** Made with 61% post-consumer recycled plastic<sup>3</sup> and FSC™-certified packaging to reduce impact on the environment.
