for when the drive  
is not in use

## Fast and reliable solution to expand storage or backup files

Verbatim Certified Refurbished Hard Drives provide a fast and reliable solution to expand storage or backup files.

Plug and play and operating at SuperSpeed 5Gbps (USB 3.2 Gen 1 / USB 3.0 connection), the drives come with Nero Backup Software and are compatible with PCs and Macs.

It also includes an integrated rubber strap, acting as a cable tidy when the drive is not in use. Having been tested and certified to meet stringent Verbatim quality standards, the drives come with a 2 year warranty and provide great value for money.
