

Delock RJ45 Network Cable with braided coating Cat.6A U/FTP Slim 1 m blue

Description

This network cable by Delock can be used to connect different networking devices, e.g. a NIC to a switch or a patch panel.

Slim patch cable

The thin patch cables are characterised by their small cable diameter and enable flexible and space-saving cabling in the network cabinet.

With braided jacket

The jacket provides excellent resistance to abrasion and protects the network cable from kinks and breaks. Thus, the cable remains durable.
