The edge of glory

We know the facts: RGB just makes everything better. With edge-integrated RGB LED lighting, this desk is as cool as they come. And with 10 different colour modes, you can even adapt the lighting to whatever mood or game you're playing!

The sustainable surface

Red, green, blue, with extra focus on the *green*. Sustainably designed with a desktop made from FSC®-certified wood, the Luminus is cool with a conscience. What's more, its anti-scratch top layer with carbon look means it'll stay looking rad no matter how often you use it.

Awesome add-ons

Every character has their secret skills, and the Luminus does too. With an attachable cup holder, headset hook and built-in cable management system, this desk keeps your accessories organised and within easy reach.

A light touch

One touch and you're in control. The Luminus's on-desk touch controls offer you the ability to easily switch between colour modes and speeds to add even more excitement to your gaming sessions. Just like magic!

Plug in & play

We've made it as easy as possible to enjoy the Luminus – USB-powered, you can directly connect it to your laptop, PC, or any USB wall charger or powerbank to get those lights (and your game!) on in no time at all.
