

Configuration:

LA-421-01 1-Port USB Charger (North America)

Product Overview:

Turn any outlet into a charging station and offer your users with a compact, flexible power option with the LA-421 single-port USB charger. Ideal for personal use or for small venues, the charger's compact design makes it easy to carry and store, and ensures that it will not block access to other outlets when in use. The charger supports input voltages of 100-240 VAC at 50-60Hz.

Highlights:

- Compatible with all Listen Technologies iDSP products
- Ideal for personal use or in smaller spaces/venues
- Compact design will not block access to other outlets when in use
- Easy to store and carry

Includes:

One (1) LA-421 1-Port USB Charger
