ClickShare Bar Core

Video bar for engaging, effortless wireless conferencing

- Crystal-clear, highquality stereo audio
- Advanced AI-powered 4K camera
- Simplified installation
- Sound investment: fewer interventions, minimized downtime, future-proof platform
- Carbon-neutral product

ClickShare Bar Core is a carbon-neutral, all-in-one video bar that enables engaging, effortless wireless conferencing in small and medium-sized meeting rooms with any videoconferencing platform. This solution ensures meeting participants feel heard and seen thanks to its high-quality AV capabilities while offering simplified installation and reduced Total Cost of Ownership.
