

Anker 737 Multi-Device Charging 120W Max

High-speed USB-C charging

Equipped with 2 USB-C ports, a USB-A port and 120W total output to charge a laptop / iPhone / Apple Watch simultaneously.

Dynamic Power Distribution System (DPDS)

An intelligent power-allocation algorithm automatically detects and adjusts voltage output of connected devices and shortens the overall charging time

The Size of an AirPods Case

As compact as an AirPods Pro with charging case or 39% smaller than an original Macbook Pro charger (96 W) for greater portability.

High-Speed, Huge Compatibility

Compatible with multiple brands (Apple, Samsung, HP, etc.). Charge your 16" MacBook Pro to 100% in just 1.5 hours and an iPhone 13 up to 3x faster than an original 5W charger.

GaNPrime (Latest GaN Technology with Temperature Control)

Achieve greater power, better heat dissipation, a safer charge, and a temperature monitor up to 1,000,000 times per night.
