

SPECIALTY & PE EQUIPMENT Patriot Motorized Flag

SUSPENDED OR WALL MOUNTED

PART NO. VERTICAL - 500101, HORIZONTAL - 500102

- At the touch of a switch or wireless transmitter, “Old Glory” appears, providing a dramatic presentation of the United States flag in any gymnasium or large venue. The Patriot Motorized Flag may be ceiling- or wall-mounted and is available in either a horizontal or vertical display.

FEATURES:

- The flag rolls up into the case for storage, and rolls down for presentation at the turn of a key.
- Standard product includes a sewn, nylon American flag.
- Flag measures 12' x 18' (366 cm x 549 cm) or 18' x 12' (549 cm x 366 cm) with both mountings.
- Product ships in black case (standard) with two sets of brackets for mounting to wall or ceiling (four brackets in the box).

OPTIONS:

- Control options: Key Switch (standard), EZ Power Wireless Remote Control and Smart Gym.
- Options include state flags or school banners, provided by customer (call for quotation).
- Choose Vertical or Horizontal display.
- Black case standard; white optional.
- Custom sizes available. Contact Draper® for more details.

Horizontal installation
