**Compared to homemade chips cooked in a conventional deep fat fryer.
****Survey among NutriU users, 6000 respondents, 2021.
******Average percentages based on internal lab measurement with Philips Airfryers; cooking one chicken breast (AF setting 160°C, no preheat) or salmon filet (AF setting 200°C, no preheat) vs. using an A-class oven.

Highlights

Up to 90% less fat

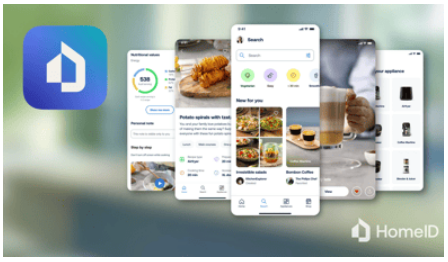

With the Philips airfryer, you can make delicious, guilt-free food with virtually no need to add oil. Enjoy healthy meals with no compromise on taste.

12 cooking methods in one

Air fry, bake, grill, roast and more all in one airfryer. Easily adjust time and temperature for 12 different ways of cooking including quick reheating, defrosting and dehydrating.

HomeID recipe app

Discover thousands of free recipes and specific settings for your Airfryer. 93% of users say the HomeID app makes cooking easier.**

Quick and easy to clean

Save time on cleanup with our non-stick StarPlate and pan that can be put in the dishwasher.

Perfectly sized

The compact design is ideal for every kitchen large or small. Holds up to 800 g of chips, 8 chicken drumsticks or 800 g of vegetables in a 6.2 litre pan.

Save time and energy

Cook up to 50% faster and save up to 70% energy when cooking with Philips Airfryer instead of your oven.***

RapidAir Technology

Crispy on the outside and tender on the inside, with little or no added oil. With its unique starfish design, RapidAir technology creates perfect air flow to cook food quickly and make it tasty every time.

Specifications

Country of Origin

Produced In: China

Technical Specifications
