

Syn AIO

240mm | 360mm

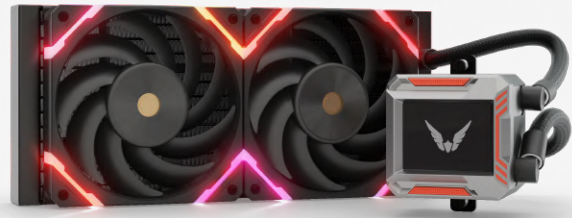

All-In-One Liquid Cooler

ABOUT SYN

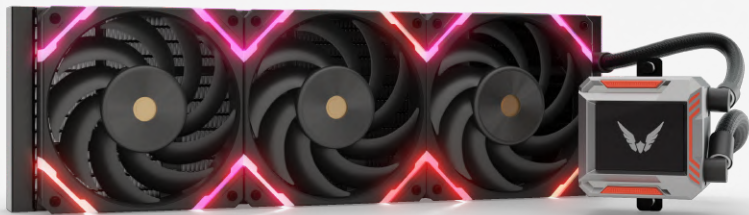

Valkyrie Syn is a premium All-In-One liquid cooling system with a fully customizable LCD screen, high-RPM pump and high static pressure fans for powerful and silent, maintenance-free performance in any modern Intel or AMD-powered PC. Pick between 240mm and 360mm sizes, both available in black or white color variations.

Valkyrie Syn 240 - Black

Valkyrie Syn 360 - Black

Valkyrie Syn 360 - White

Features

2.4" LCD

DISPLAY ANYTHING YOU WANT WITH 2.4 INCH SCREEN

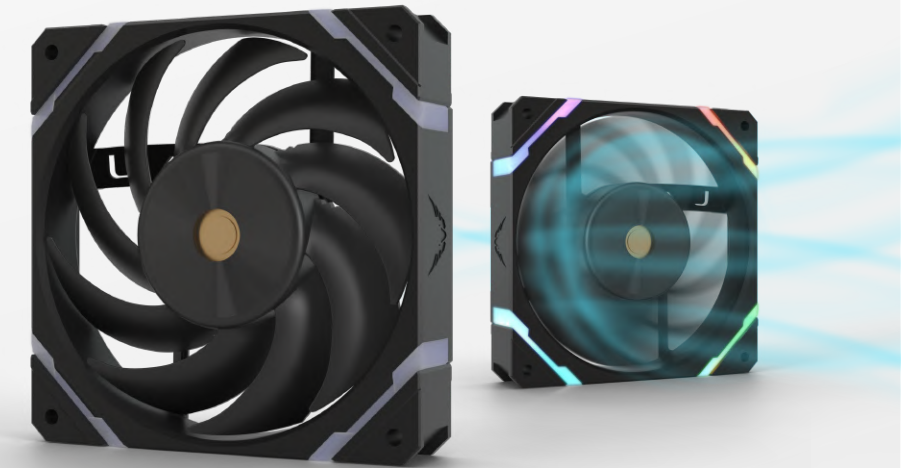

The Valkyrie Syn comes with a 2.4" LCD screen that's capable of displaying your favorite photos, captivating videos, or essential performance parameters of any PC, such as CPU, GPU and AIO coolant temperature.

5 5 YEAR WARRANTY

LONG LASTING PERFORMANCE

Market-proven high-speed pump provides exceptional performance for the latest Intel & AMD processors while FEP corrugated braided sleeve tubing prevents coolant evaporation to secure long-lasting operation, supported by a 5-year warranty.

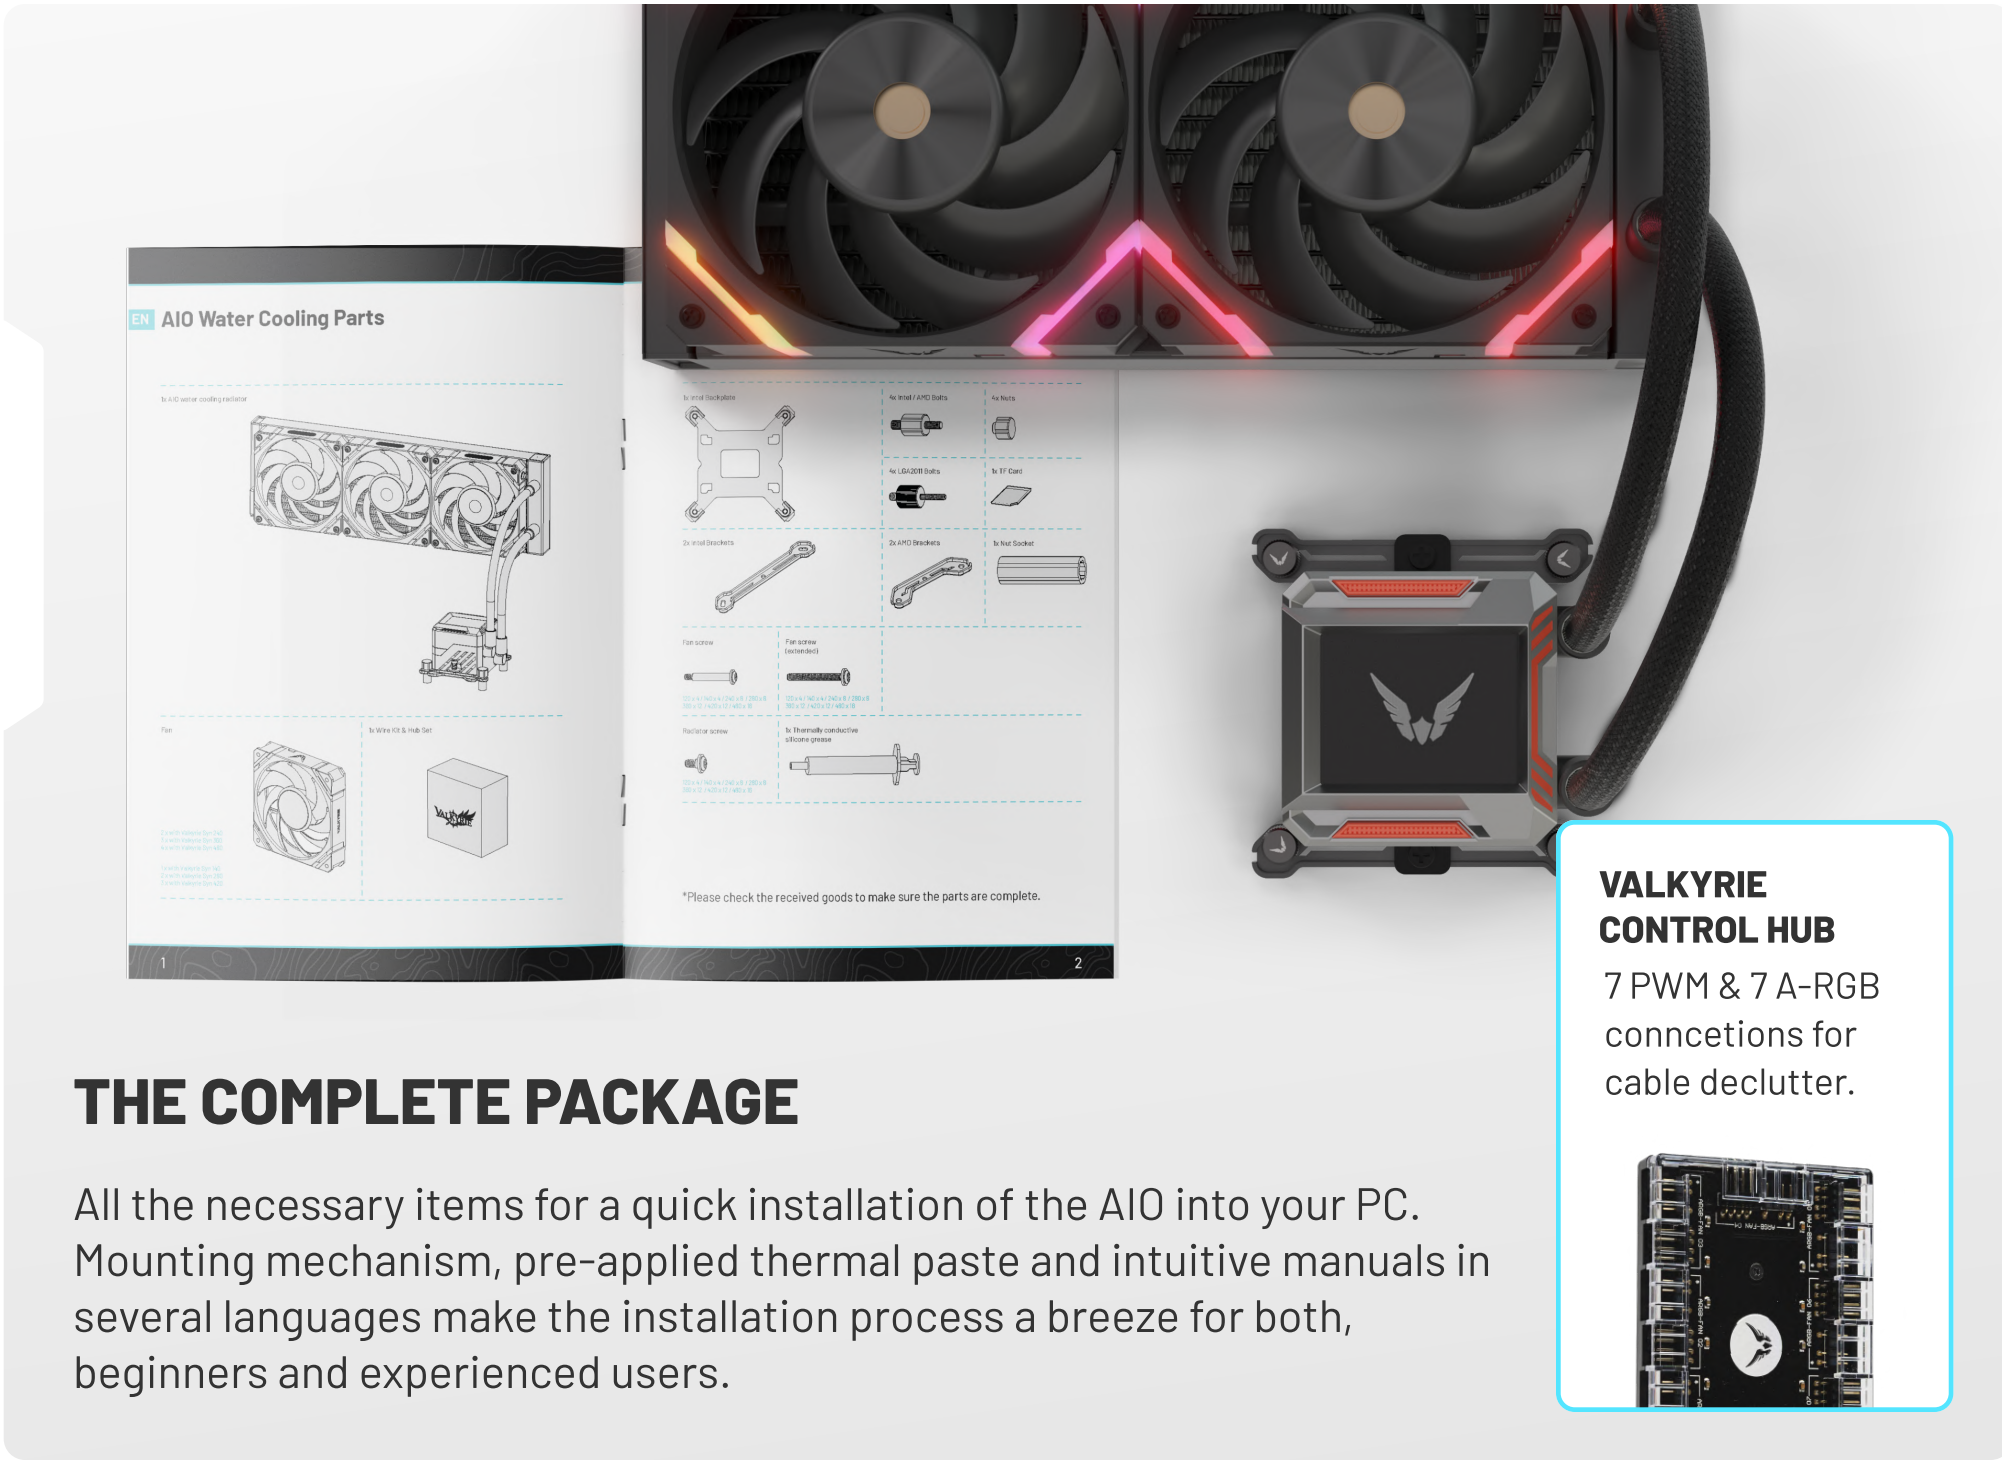

A STRONG, SILENT TYPE RGB FANS

Combination of power and silence with included Valkyrie X12 fans. Premium build quality and fluid dynamic bearings that offer reliable performance even in the long-term use. The frame features attractive addressable RGB that will fit to any PC.

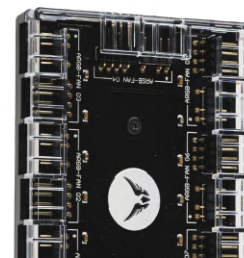

Features

THE COMPLETE PACKAGE

All the necessary items for a quick installation of the AIO into your PC. Mounting mechanism, pre-applied thermal paste and intuitive manuals in several languages make the installation process a breeze for both, beginners and experienced users.

VALKYRIE CONTROL HUB
7 PWM & 7 A-RGB connections for cable declutter.

"Good Quality, Neat Bundle, Great packaging. Good surprise at full speed for Valkyrie SYN 240 kit, which manages to compete easily with the slightly larger kits from OEM Asetek."
