## Warranty

### General guidelines:

Keep away from high temperature or prolonged exposure to direct sunlight.  
Avoid contact with liquids.  
Do not disassemble.  
Do not drop the product.  
Keep out of reach of children.

### Warranty- UK & Europe

Your BOOMPODS product is guaranteed against any defects in material or workmanship for 2 years from the date of original purchase providing it has not been disassembled and it has not suffered accidental damage.

The device must be used in accordance with the user manual. The warranty is subject to presentation of the original invoice or receipt from the retailer and does not apply to normal wear and tear or to any device that has been misused or tampered with. It should be returned to the local service centre. The service centre will not bear any shipping cost of the returned item.

Please check [www.boompods.com](http://www.boompods.com) for your local service centre

"Warning: Prolonged use of earphones at high volume above 85 decibels may cause irreparable hearing loss. We strongly advise you to start listening with the volume control of your music player set to a low level and gradually increase the volume to a comfortable listening level. The higher the volume, the more you risk damaging your hearing quickly."

For your safety we also recommend do not use headphones if they would prevent you from hearing warning sounds and in situations that require your full attention, such as operating machinery, driving a car, motorcycle or bicycle but also as a pedestrian when crossing the street etc.

This item is not a toy and children should use at a lower volume and be monitored by a responsible adult."

Battery	150mAh
Charge time	2.5Hours
frequency range	20-20Khz
Mic sensitivity	-42dB
Driver unit	40mm
Impedance	32Ω
Operating temperature	-20C – +60C
Bluetooth	5.1
Weight	170g
