

RWX10

Rayden 1 x 1 Daylight Studio Light with DMX Control

ONE SHEET

Overview

Ikan introduces their new Rayden DMX LED lights. The High CRI 45 degree LEDs give you a very bright light. Its 5600K color temperature delivers solid high color fidelity. The 50 degree beam angle of the light makes it possible to light a large area with a single fixture. In addition, the 30 degree yoke and the baby 5/8" or junior 1 1/8" combo pin allow you to attach to any mount or stand.

Strong steel tension knobs on the yoke lock the light in place when aiming the fixture. The large yellow knob on the back allows you to control the light with a few simple clicks. You can control the brightness and the DMX channel, making adjustments as needed.

The LED readout gives you the ability to have very precise measurements. The proven ikan barn doors with intensifiers are included to allow you to shape the light.

RWX10 | Rayden 1 x 1 Daylight Studio Light with DMX Control | **UPC Code:** 847983021109

Special Features

RWX10

Features you need, Prices you want.

High CRI LEDs

The high CRI LEDs give you a strong output, allowing for very bright light.

5600K Color Temperature

The 5600K color temperature stays consistent throughout its brightness.

Bright Consistent Light

The Rayden Daylight LED is ideal for those quick interviews allowing you to not overheat your talent.

50° Beam Angle

A wide beam angle gives you lots of light.

Combo Pin

The combo pin Baby 5/8 inch/Junior 1-1/8 Combo Pin adapter with right angle receiver hole allows for the use of any grip stand.

30° Angled Yoke

The 30 degree yoke allows for unobstructed movement of the light.

Steel Tension Knobs

The new stronger steel knobs allow you to lock the light at any angle.

Single Knob Control

A single control knob allows the user to adjust on the fly. Whether it's brightness or DMX, it can be controlled with the touch of a button.

Barn Doors Included

The barn doors with intensifiers give you the ability to shape the light.

Equivalent to 900 Watt Incandescent

The Rayden LED light is equivalent to a 900 Watt incandescent soft light.
