Pure sound, less noise

Experience the simplicity of a true wireless earbud that powers your day. Adaptive ANC keeps you focused while Poly legendary audio makes your music and calls sound great. And personalized all-day comfort keeps you feeling good.

Powerful sound, adapted to you

High-powered speakers with Adaptive Active Noise Canceling (ANC) reduce distractions around you.

Speak with confidence

Clearly share your ideas with noise canceling mics and AI noise reduction¹.

Style and all-day comfort

Look good and feel better with an elegant and discreet design to suit your style.

Featuring

Tune out distractions

Adaptive ANC automatically tunes out the right amount of unwanted noise when listening to music or on calls.

Hear every beat

Never miss a moment with powerful speakers that bring music and words to life.

Enjoy clearer calls

Make every conversation shine with six noise canceling mics plus AI noise reduction to improve call clarity¹.

Multipoint connectivity

Quickly and easily pair two devices at once and seamlessly move between them for calls and music.

Power through the day

Listen for up to 8 hours. Quick-charge case with Qi wireless charging extends listening time up to 28 hours.

Comfort that fits your style

No-compromise comfort in Gray. Personalize the fit with four ear tip sizes and the Poly Lens mobile app.
