Product Description

For professionals wanting to reduce the fatigue associated with spending long hours typing each day, the Pro Fit™ Ergo KB675 EQ TKL Rechargeable Keyboard supports all-day comfort and productivity with style.

The sculpted ergonomic design and curved key layout promotes proper hand and wrist posture, accommodating the natural contour of your hands to provide a more comfortable and productive typing experience. Performance-enhancing features include multiple connectivity options, government-grade encryption security, universal compatibility, and a long-lasting rechargeable battery.

The outer casing and keycaps of KB675 are composed of a minimum of 45% post-consumer recycled content*. Complementing a modern workspace, KB675 is an ideal choice for professionals seeking to elevate their typing experience with style, comfort, and performance. *Excludes PCB assembly, rechargeable battery, 2.4GHz dongle and charging cable.

Features

- Ergonomic design supports optimal hand and wrist positioning for all-day comfort.
- Minimum 45% post-consumer recycled content of the total plastic components. Excludes PCB assembly, rechargeable battery, 2.4GHz dongle and charging cable.
- Supports up to three devices- two via Bluetooth® connections and one via the 2.4GHz USB-A receiver.
- Windows and macOS compatible.
- Swift Pair Technology reduces pairing hassles and simplifies Bluetooth® connection for Windows devices.
- Includes video conferencing keys and RGB indicators for connection status, caps lock and battery life.
- Customisable keys allow you to create macros, adjust key mappings, manage profiles and more.
- Includes 3-year limited warranty.
- *Windows ARM-based computers are currently not supported. Please check back for future updates on compatibility.
- This product is designed to comfortably fit users with small to average-sized hands.
