MW6200 Wireless Optical USB Mouse

USB-A Nano Receiver, Six Buttons with Scroll Wheel, 800/1200/1600 dpi, Black

Part No.: 190343

EAN-13: 0766623190343 | UPC: 766623190343

Durable 6-Button Computer Mouse for laptop and PC at Home or Office

The Manhattan MW6200 Wireless Optical USB Mouse offers reliable performance in a durable, comfortable design. Its precise optical sensor offers smooth, lag-free control on almost any surface for a wide range of computing tasks.

Just the right size

With a full-size shape of 10 cm (4 in.) length, this mouse offers a more comfortable grip than a mini mouse but is still compact enough for small laptop-bag pockets. The nano receiver hardly sticks out of your notebook's USB-A port and provides an effective range up to 10 m (33 ft.) for true wireless convenience.

Advanced, precise tracking with up to 1600 dpi

The high-performance optical sensor provides great accuracy for effortless navigation on almost any surface. Switch instantly between accuracy or speed mode tracking at 800, 1200 or 1600 dpi via the top-mount button.

Thumbs up for thumb controls

Moving between folders or web browser pages is a breeze with large

Back/Forward thumb buttons. A quiet scroll wheel with great tactile response glides smoothly through long lists. All six buttons on this wireless computer mouse are easy to reach.

Plug & play and all you need

Included auto power management helps maintain proper battery levels for long, dependable operation. Plug-and-play capability with Windows®, Mac®, Linux®, and Chrome OS™ compatibility makes installation quick and easy. Its familiar configuration makes this Wireless Optical Mouse ideal for nearly anyone's daily computing needs.

Features:

- Wireless 2.4 GHz RF nano receiver with USB-A plug for an effective range up to 10 m (33 ft.)
- Top-mount, push-button control to instantly shift resolution to 800, 1200 and 1600 dpi; great for daily work or gaming
- Classic left, right and middle mouse buttons with smooth scroll wheel featuring great tactile response
- Two thumb buttons for convenient Back and Forward web page browsing
- Compatible with Windows®, macOS®, Linux®, and Chrome OS™
- High-precision optical sensor for lag-free control on almost any surface
- Auto-power management and on/off switch for a long battery life
- Plug-and-play installation; no configuration or drivers required
- On-board storage compartment to protect USB receiver from loss and damage
- Low-friction base that smoothly glides over work surfaces
- Suitable for right-handed users only
- Requires one AA battery (included)
- Three-year warranty
