SUDARSHAN

Color specialist optimizes processes and performance

“When people make initial requests, the first thing they ask is when they can have it. With the HPE GreenLake platform, that’s something I can set out very clearly and promise to the business.”

– Sandeep T Mhalgi

General Manager, Business Technology, Sudarshan

With a growing business and an increasingly global reach, Sudarshan’s IT environment was required to meet new demands and expectations. A new hybrid platform gave the business new freedom to grow, develop, and deploy IT solutions in line with business requirements in optimized time.

Objectives

- Create shorter time cycle for solution deployment
- Enable effective, data-driven business decisions
- Optimize costs and improve efficiency

Requirements

- A flexible and responsive platform for continued growth
- A cost-effective and highly efficient solution for IT efficiency
- A secure and stable environment to access cloud-based and SaaS products

Solution

- HPE ProLiant servers
- HPE GreenLake
- HPE SimpliVity
- VMware®
- HPE StoreOnce

Key partners

- Unique Solutions

Outcomes

- Accelerates the provision of business-critical services
- Ensures availability of capacity with security of service
- New processes and visibility help boost customer satisfaction
