T3 Table Boxes

**T3-CAT5**

**T3-BDC**

### DESCRIPTION

FSR expands its T3 Series table top box line by offering three new specific purpose “drop in” boxes. Each style contains a particular connector mounting plate, described below. The T3-CAT5 also includes the connector. See the ordering chart and item description for details. Housing styles are designed to fit a 2” round hole, are available in a brushed black, aluminum or brass finish, and with either round or square covers. Mounting hardware is supplied to allow for a variety of table thicknesses.

The T3-CAT5 includes a single RJ45 feed-through connector.

The T3-BDC is pre-punched to accept a Beyerdynamic #SHM22PF™ Gooseneck Microphone (customer supplied).

An assortment of mini table boxes in many different styles and configurations are available from FSR. Please visit our document library or contact sales for individual spec sheets.
