

MPN: CON5UTPE

Modular RJ45 Cat5e UTP Easy Connector AWG 27/7 to 24/7 100pcs

The Modular RJ45 Cat5e UTP Easy Connector (CON5UTPE) provides a simple and reliable solution for terminating Cat5e unshielded twisted pair (UTP) cables. This pack includes 100 connectors, making it ideal for both small and large network installations. The "easy connector" design simplifies the termination process, allowing for faster and more accurate connections, reducing the risk of errors and saving valuable time. Built to meet European quality standards, these connectors ensure optimal performance and data transfer speeds for your network, reflecting MicroConnect's commitment to providing premium quality connectivity solutions with 20+ years of expertise. These connectors provide an efficient and cost-effective solution for creating custom-length network cables.

- To order a full box, please select the following quantity: 50 pcs.
- Suitable for cables in AWG size 27/7 to 24/7
