

MPN: CON6AFTP

Modular Connector RJ45 Cat6a FTP AWG 27/7 to 24/7 100pcs

The MicroConnect CON6AFTP Modular Connector provides a high-performance RJ45 Cat6a FTP connection solution for demanding network environments. This pack includes 100 shielded connectors, ensuring you have an ample supply for various installation projects. Designed to meet Cat6a specifications, these connectors support data transfer speeds up to 10 Gbps, guaranteeing reliable and fast network performance. The FTP (Foiled Twisted Pair) shielding protects against electromagnetic interference, maintaining signal integrity in noisy environments. Built with MicroConnect's 20+ years of expertise, these connectors offer exceptional quality and durability, making them ideal for professional installers and IT professionals seeking reliable network connectivity solutions.

- To order a full box, please select the following quantity: 50 pcs.
- Suitable for cables in AWG size 27/7 to 24/7
