

Delock USB 2.0 Adapter Pin Header male to 2 x internal USB Type-E Key A female angled magnetic with USB pin header cable 30 cm

Description

This adapter by Delock can be connected onto a motherboard by using the included USB pin header cable and converts the USB pin header male port into two internal USB Type-E Key A female ports. Various cables can be connected to the adapter, to provide either one USB Type-C™ or one USB Type-A interface.

Magnetische Installtion

The adapter has four magnetic screw feet that allow the adapter to be attached inside a computer case without drilling holes. The included USB cable, with a length of approx. 30 cm, offers flexible space inside the housing for this purpose.
