

Delock USB 2.0 Type-A panel mount female to Type-A female 45° angled black

Description

This module by Delock can be used to extend e.g. a USB cable.

With mounting holder for installation

The adapter can be installed e.g. on a panel, in a housing or switch cabinet.

With angled connection

The angled connection enables space-saving installation in tight spaces and hard to reach places in equipment or in cable ducts.
