

MW400L

V7 LEFT HAND 2.4GHZ VERTICAL ERGONOMIC MOUSE

The V7 MW400L is a wireless mouse designed for left-handed users. It offers a comfortable, vertical design to reduce wrist strain and features a soft-touch, non-slip grip for enhanced control. With adjustable DPI settings (800, 1200, and 1600), a scroll wheel, and six buttons, this mouse provides versatile functionality. It's compatible with Windows, macOS, and ChromeOS, and powered by a single AA battery.

- This mouse features six dedicated buttons for forward and backward navigation, DPI, scroll wheel, and standard left and right click buttons
- Concave thumb rest promotes comfortable, upright forearm position, reducing wrist pressure
- A soft, textured coating for improved comfort and grip
- Multi selectable 800-1200-1600 dpi button to fine tune pointer sensitivity
