Delock Telephone Cable / Coiled Cable RJ11 plug to RJ45 jack black 10 m

Description

This telephone coiled cable by Delock connects analogue devices with ISDN sockets and serves as a connection cable for telephones, routers, modems and splitters.

Coiled Cable
The coiled cable enables flexible data transfer, is easy to store and unlike conventional cables, takes up less space. It also has a high restoring force and can be extended to three times its original length.

10 m
