# QI2 15W Magnetic Wireless Charger with USB-C Cable

Elevate Your Charging Experience with Our Stylish Magnetic Charger!

Designed specifically for MagSafe-enabled iPhones (iPhone 12-17 series) and QI2 enabled Android smartphones, our sleek magnetic charger also doubles as a versatile wireless charger for any other Qi-enabled device. With a maximum output of 15W, it ensures your devices are powered up quickly and efficiently.

Perfect for both home and office use, this charger seamlessly blends functionality with style. For the ultimate charging experience, pair it with a PD 20W charger (or above).

Upgrade your charging game today!
