

# Sound Science Bluetooth® Mini Boombox

Integrated Controls, Microphone for Hands-Free Calls, MicroSD Slot and USB-A Port for MP3 Part No.: 166669

EAN-13: 0766623166669 | UPC: 766623166669

# Powerful, versatile wireless Bluetooth speaker with MicroSD / USB connectivity and mic for hands-free calls

The Sound Science® Bluetooth® Mini Boombox from Manhattan is a highly versatile little wireless speaker that can follow the party no matter where it goes. Bluetooth technology allows it to connect to smartphones, tablets, laptop computers and other devices from up to 10 m away. The speaker's 52-mm neodymium drivers pump out strong bass and full sound. Its compact size fits easily into a bag or backpack. What's even better is that it doesn't need to be connected via Bluetooth for you to enjoy your music. Plug in a Micro-SD memory card or a USB-A thumb drive to use the built-in MP3 player to rock out.

#### **Features:**

- Bluetooth® 5.3 for wireless music playback
- High-capacity battery for extended use up to 4 hours
- MicroSD card slot and USB-A port for MP3 playback
- Integrated music control buttons
- Built-in microphone for hands-free conversations
- Advanced, precision-balanced 52 mm drivers for high-quality sound
- Bluetooth mode to work with iOS®, Android<sup>™</sup>, and most Bluetoothenabled devices
- Compact and lightweight design, ideal for travel
