A

(1) Octagon Button

B

(1) Front Plate

C

(1) Interval Plate

D

(4) #6-32 x 3/8"
Screws

E

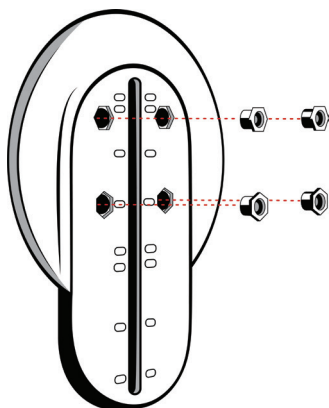

(4) #6-32 Nut
Inserts

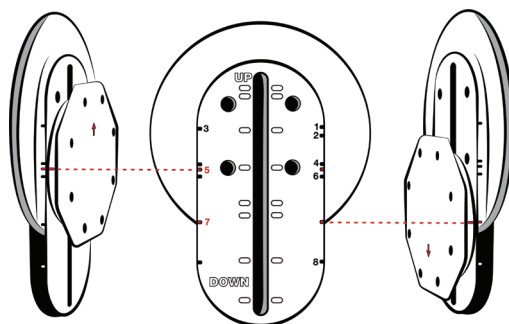

F

(2) #8 x 3/8"
Screws

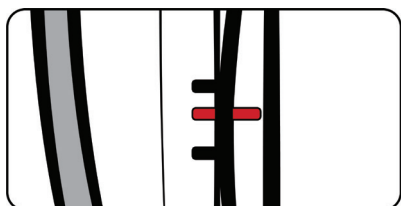

- 1 Insert **(E) Nut Inserts** into pockets of the **(C) Interval Plate**. Nuts should press fit and remain secure when inserted.

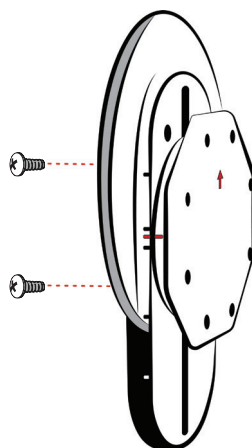

- 2 Check your device Make & Model in the Number Setting Chart on the back of this page. Cross reference the number in the chart with the number on the **(C) Interval Plate**. Cross reference the direction of the arrow in the chart with the arrow on the **(A) Octagon Button**.

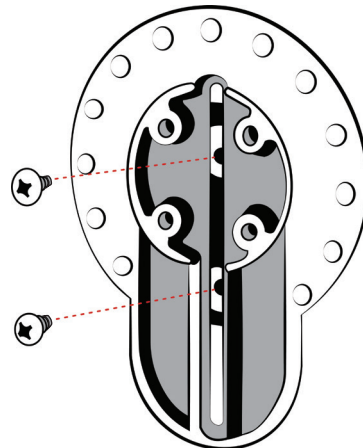

- 3 Connect the **(A) Octagon Button** to **(C) Interval Plate**. Set direction of arrow on **(A) Octagon Button** to face the "Up" or "Down" marking on the **(B) Interval Plate**, based on the reference in the Number Setting Chart. Align the notch on the side of the **(A) Octagon Button** to align with the notch next to the designated number. When in place, secure with **(F) Screws**.
