Info holder rPET A4, A3

- Easy replacement of documents by sliding in from the side
- Foil made from at least 70% rPET material (post-consumer recycling)
- Separable materials enable disposal and recycling of materials

Info holder rPET A4, A3 - self-adhesive

- For use in portrait format on both smooth and uneven surfaces (clean and stable)
- Permanently self-adhesive thanks to two adhesive strips on the back

Info holder rPET A4, A3 - magnetic

- Application in portrait format on metallic surfaces
- Magnetic adhesion thanks to two magnetic strips on the back

Did you know?

Post-consumer recycling (PCR) refers to the recycling of products already used by end consumers. Recycling conserves resources, reduces the amount of residual waste and overall pollution is reduced.

With the introduction of info holders made from recycled PET, DURABLE is actively supporting the resource-conserving recycling of materials and demonstrating that plastic and sustainability are not a contradiction in terms!

Product	Item no.	Colour	Dimensions (W × H)	Packaging
