Xtream P7
Wired Stereo Headset With AI Controls

Adesso Xtream P7 headphone offers an immersive stereo sound experience, allowing you to enjoy music and audio with exceptional clarity and depth. Equipped with an independent key controller, it provides convenient operation. The support for Copilot and voice dictation enables seamless communication and efficient task handling. It features an independently adjustable microphone boom, ensuring clear voice pickup for your calls and recordings. Moreover, the headphones are designed for maximum comfort during prolonged wear, making them perfect for long listening sessions or workdays.

■ **CoPilot AI Shortcut**

The Copilot AI hotkey on your headset provides instant access to an advanced AI assistant designed to assist you in various tasks. Simply press the designated button, and Copilot AI will be ready to generate code, provide creative suggestions, or assist you with language-related tasks. It's your quick and efficient way to harness the power of AI right at your fingertips.

■ **Voice Dictation**

Use voice dictation to convert spoken words into text anywhere on your PC with Windows 10 and above. Dictation uses speech recognition which is built into windows 10/11.
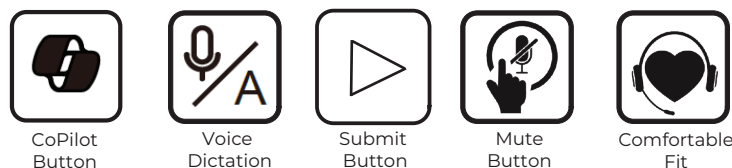

■ **Enter Button**

Introducing the Submit Button Feature on Our Headset Control Box. Engage with your device effortlessly by utilizing the enter button to submit your CoPilot inquiries.

■ **Mute Button**

Instantly mute your voice with the mute microphone button, streamlining communication and enhancing privacy.

■ **Comfortable Fit**

Enjoy extended wear in luxurious comfort, as the ergonomic design of the headset ensures a secure and cozy fit.
