II- Important Disclaimer

The information provided herein is to the best of PNY Technologies Europe best knowledge and belief accurate as of the date that it was provided. PNY Technologies Europe bases such knowledge and belief on information provided by third parties, and PNY Technologies Europe makes no representation or warranty as to the accuracy of such third party information. PNY Technologies Europe has taken, and continues to take, reasonable steps to provide representative and accurate information to its customers but may have not conducted destructive testing or chemical analysis on incoming materials and chemicals. Certain PNY Technologies Europe suppliers consider "material content" to be confidential information and thereby proprietary, whereby such information may not be available for release to customers. Neither PNY Technologies Europe nor any of its affiliates shall be liable for loss of use, revenue, profit, or for any special, incidental, or consequential damages arising out of, connected with, or resulting from the information provided in this Certificate, or otherwise; and in no event shall PNY Technologies Europe's or any of its affiliates' direct liability arising out of, connected with, or resulting from such information exceed the purchase price of the product(s) referenced in this Certificate.

This Certificate is intended only for the use of the company to which it is addressed and no other person or entity is entitled to rely on it.

III- Important Legal Note

The information contained herein is intended to assist those using PNY Technologies Europe EEEs in complying with EU POP Regulation. Certain of the information contained herein is simplified guidance based on complex and changing legislation and does not constitute legal advice. EU POP Regulation should always be read and understood (as they constitute the law), in contrast with the information contained herein, which is intended to be informative but has no legal

authority. You should refer to the EU POP Regulation for a full statement of the legal requirements and in the case of any doubt take the independent advice, including your own legal advice. EU POP Regulation may be revised from time to time, so users should take care to keep themselves informed.

IV- Certification

The undersigned hereby certifies that he or she is authorized to sign this Certificate and affirms that all the information provided in this Certificate is true and correct as of the date hereof.
