

## Privacy Filter 4-way magnetic Lenovo ThinkPad X1 Nano Gen.1 13

Effective privacy protection for your screen.

The DICOTA 4-Way privacy filter is ideal for working in public environments such as libraries, open-plan offices, airports and trains. It protects personal and confidential data by darkening the right, left, top and bottom of the screen from an angle of +/- 30 degrees. The filter is easy to attach and remove thanks to integrated magnets. The enclosed self-adhesive magnetic strips allow it to be used on all frame surfaces. The filter also offers protection against scratches, reduces fingerprints and prevents reflections.<break>

### Specifications

|                         |                  |
|-------------------------|------------------|
| Art.no.:                | D80505-4MG       |
| EAN:                    | 7640494877943    |
| Weight:                 | 0.033 kg         |
| Material:               | PET              |
| Warranty:               | 24 months        |
| Dimension:              | 280 x 175 x 0 mm |
| Max. Device dimensions: | 0 x 0 x 0 mm     |

### Characteristics

- Immediate adhesion to thin magnetic tape by simply applying
- Protects the screen from four sides (left/right and top/bottom)
- Limits the viewing angle to  $\pm 30^\circ$
- Reduces blue light by 43%
- Works with touchscreen monitors
- Colours remain true to the original
- Reduces annoying reflections and fingerprints
- High resistance to scratches
