

DREAME

H15 Pro Wet and Dry Vacuum

A complete clean, untangled and spotless

Dreame H15 Pro

Wet and Dry Vacuum

H15 Pro revolutionizes floor cleaning with GapFree™, using an AI lifting robotic arm for triple edge coverage to eliminate tough front gaps while leaving nearly 0 liquid stains. Its 180° lie-flat performance is secured with unlost suction and 21kPa power effortlessly tackles solid and liquid debris. Featuring the TangleCut™ resilient scraper, the brush easily cuts hair tangles to prevent manual detangling while GlideWheel™ helps you with easy gliding. During self-cleaning, ThermoTub™ immerses and rinses the brush in 100°C hot water and quietly dries it with high-speed 90°C air in just 5min.

Key Features

Thorough Triple Edge Coverage

H15 Pro's AI lifting robotic arm eliminates the trickiest front gap*, delivering unprecedented triple edge coverage while leaving nearly 0 liquid stains*. Plus, enjoy 180° lie-flat performance with unlost suction power.

Leaves 0 Tangles Behind

Our upgraded brush boasts the TangleCut™ resilient scraper with durable comb teeth, precisely cutting hair tangles as they are vacuumed, leaving the brush tangle-free* and saving you from manual detangling troubles.

High-Temp & Quick Self-Cleaning

H15 Pro rinses and dual-rotates the brush inside the base with 100°C* hot water like a bathtub for easier grease removal. Following the wash, high-speed 90°C hot air dries the brush in just 5min in a sealed space*.

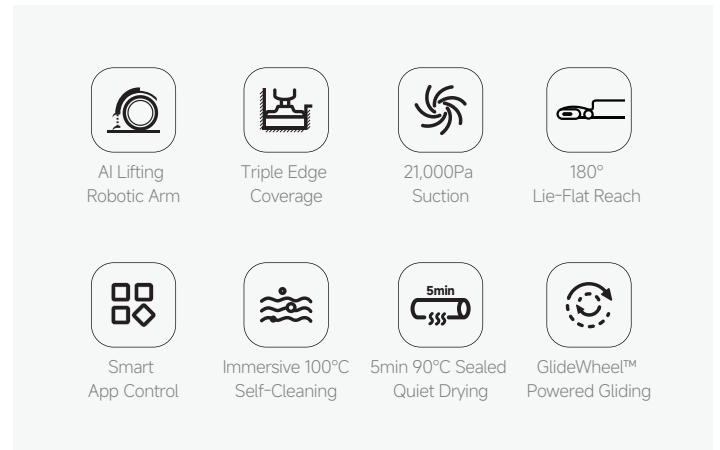

21kPa Effortless Cleaning

Unlock an effortless clean with unmatched 21kPa* suction, easily picking up solid and liquid debris. Fresh water is constantly used to refresh your floors and the AI-powered GlideWheel™ system allows for easy pushing and pulling.

Specifications

Product Name	Dreame H15 Pro Wet and Dry Vacuum
