

HP Poly Studio A2 Black Table Microphone w/ Mounting Plate I/O cables

*Product image may differ from actual product

Bring exceptional clarity to the table

Make audio come alive in every meeting with a simple, scalable, cost-efficient table microphone. Effortlessly expand audio coverage and enable distraction-free communication while seamlessly scaling and deploying.

No distractions. Just clear conversation

Hear everything that matters and prioritize the conversation so remote participants receive high-quality sound.

Amplify coverage, just like that

Daisy chain up to 8 HP Poly Studio A2 Table Microphones¹ seamlessly - no complex setups required.

Purposefully designed

Elevate the appearance of any conference table with a compact design, unmatched cable management and versatile mounting and color options.

Sustainability in action

Built for a better tomorrow

Containing at least 60% recycled plastics² and shipped in paper-based packaging³, this table microphone enables more impactful meetings with less impact on the environment.

Featuring

Precise audio capture

Capture speech without distractions with this multi-directional microphone that ensures all in-room participants are heard equally.

Unmatched clarity

Get conversational sound that is crystal-clear with expanded audio pick up enhanced by Poly AI-powered audio innovations.

Scale up with ease

Simply daisy chain up to 8 HP Poly Studio A2 Table Microphones for optimal room coverage and easily reconfigure as your needs change.

Cabling done right

Get an immaculate setup with discreet cable management for tabletop installation. Neatly position your device with the included magnetic mount.

Clean setup, always

With versatile installation options, streamline or completely hide cable presence. Get a clean set-up that perfectly blends with any room aesthetics.

Elegant and compact design

Revamp any conference table with an elegant design, a compact and purposeful form factor available in black.
