Secure Weatherproof Outdoor TV Mount - Engineered for the Elements, Built for the Best View

From patios to poolside, the Manhattan Outdoor Full-Motion TV Wall Mount lets you enjoy your favorite sports and other entertainment in the open air.

Weather-Friendly Construction

Crafted for long-lasting durability, this mount features electroplating, extended powder coating, and stainless-steel hardware to stand up to the elements. Its weatherproof design resists corrosion, rain, and humidity, making it a solid choice even in coastal environments.

Flexible Viewing Angles

Whether you're hosting a backyard movie night or setting up a patio display, you achieve the perfect viewing angle with +5° to -10° tilt and ±5° post-installation leveling.

Strong and Safe

Designed to support one flat or curved 37" to 86" TV weighing up to 80 kg (176 lbs.), this mount is made from high-quality cold-rolled steel with metal thickness

up to 2 mm.

Enhanced Security Protects from Theft

Ideal for public or commercial spaces, the anti-theft locking option (padlock required, not included) prevents the TV from being removed from the mount, perfect for digital signage or any setting where additional protection is desired.

Features:

- Built for outdoor durability with electroplating, extended powder coating, and stainless-steel hardware
- Weatherproof design resists corrosion, rain, and humidity, even in coastal conditions
- Supports one flat or curved 37" to 86" TV up to 80 kg (176 lbs.)
- Optimized views with +5 to -10° tilt and +/-5 mm post-installation leveling adjustment
