

# Compact Design, Maximum Security

NEW MaxRanger4K Mini Wireless  
Security System

# Complete 4K Coverage with Uncompromising Wi-Fi Strength

## See Beyond Boundaries

410ft/125m of wireless reach (in the open air) & 164ft/50m (in typical use).

## Transmit Through Obstacles

The strong wireless signal is more reliable, penetrating walls, ceilings, bricks, trees & other obstacles – perfect for any home!

## Full Coverage in 4K

No more blurry footage, see & record in crisp 4K clarity.

## Talk and See, Anytime, Anywhere

2-Way audio lets you communicate with visitors or delivery drivers from anywhere, whether you're at home or on the go.

## No More Unwanted Alerts

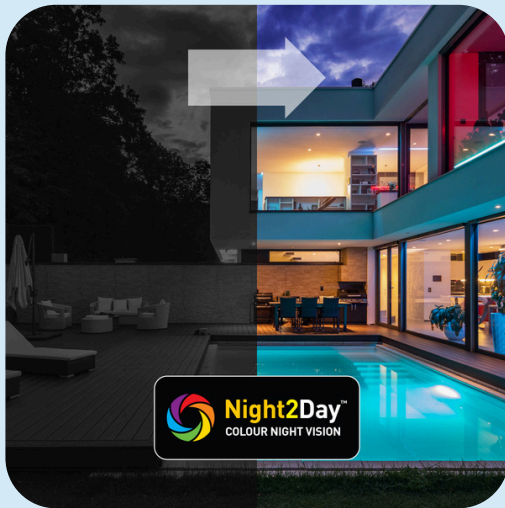

Heat, motion, person & vehicle sensing for reliable alerts.

## Power Your Way

Long life rechargeable battery or power up using an optional solar charging panel.

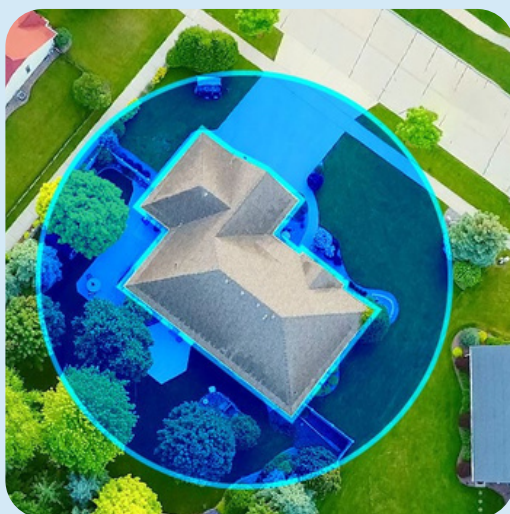

## See More With Color Night Vision

See what's happening in night in color up to 50ft/15m or B&W up to 65ft/20m.

## Free Storage Included

Store months of recordings on the included 32GB MicroSD Card with no fees to worry about.

## Add More Cameras

The MaxRanger4K™ Base Station can pair up to 8 devices, so you can add more cameras or the MaxRanger4K™ Video Doorbell for greater security coverage.

# Compact Design Maximum Reach.
