

DataTraveler® Duo USB Flash Drive

With dual USB-A/C moving cap design

Kingston® DataTraveler® Duo features dual USB connectors that work with both USB Type-A and USB Type-C®¹ ports for maximum compatibility. The innovative dual moving cap design makes the drive stylish and convenient, with no cap to lose. With capacities of up to 256GB², you can easily access and transfer documents, photos, videos, music and more between your USB-A and USB-C devices with the DT Duo. The product is backed by a five-year limited warranty, free technical support and legendary Kingston® reliability.

- USB-A and USB-C connectors
