SanDisk Extreme PRO® Flash Drive with USB-C™

High-performance storage for every part of your life.

Whether you're a professional managing vast amounts of data or a savvy tech-fanatic storing precious memories, the SanDisk Extreme PRO® Flash Drive with USB-C™ offers unmatched speed, capacity, and reliability. With capacities up to 2TB[1], read speeds up to 1000MB/s[2], and write speeds up to 900MB/s[2], it's designed to elevate your data management. With USB 3.2 Gen 2 speeds, you can transfer 200x faster than standard USB 2.0 drives.[2] The premium metal design and keyring hole ensure on-the-go convenience, matching your high-paced lifestyle and workflow demands. This storage solution frees you from the limitations of personal devices without sacrificing time, making it ideal for both work and home use.

HIGHLIGHTS

- **UNPARALLELED SPEEDS.** Whether handling 4K home videos or complex project files, transfer data at speeds of up to 1000MB/s.[2]

- **MORE SPACE FOR ALL OF YOU.** Expand your storage by up to 2TB.[1] Keep your precious memories and critical work data on one drive.

- **CROSS DEVICE CONNECTIVITY.** Share files online or offline across your devices with a universal USB Type-C™ connector.

- **WORRY FREE BACKUP.** Effortlessly connect with the SanDisk® app for a seamless auto-backup experience.[3]

- **RESTORE.** Help to recover deleted files easily with the included RescuePRO® Deluxe data recovery software.[4]

- **PREMIUM DESIGN.** Premium metal design and a keyring hole for the on-the-go working professional.

SanDisk Extreme PRO®
